CLAIMS 19-27 ARE PRESENTED FOR EXAMINATION

On December 17, 2009, a request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application. This request was made after a ***non-final*** rejection. The rejection was non-final because even though the coversheet of the previous Office action dated August 17, 2009 indicated the action to be a final rejection, the body of the Office action did not set forth the statutory requirement which sets forth that an Office action is, in fact, final.

Thus, this application is not eligible for continued examination under 37 CFR 1.114

Applicants' submission filed on December 17, 2009 has been entered. claims 1-18 stand rejected. As such, the rejections set forth in the previous Office action are herein withdrawn.

As per Applicants' amendment, claims 19-27 have been added.

Claim Rejection

As per MPEP § 706.07(h)(I):

“See 37 CFR 1.114(a). An applicant cannot request continued examination of an application until after prosecution in the application is closed. See 37 CFR 1.114(a). Prosecution in an application is closed if the application is under appeal, or the last Office action is a final action (37 CFR 1.113), a notice of allowance (37 CFR 1.311), or an action that otherwise closes prosecution in the application (e.g., an Office action under Ex parte Quayle, 25 USPQ 74, 453 O.G. 213 (Comm’r Pat. 1935)).

Claims 19-27 are thus rejected because prosecution of the present application has not been closed for the reasons set forth above and thus the presentation of the claims is improper and the claims are properly rejected based upon an improper RCE.

None of the claims are currently in condition for allowance.

THIS ACTION IS MADE FINAL. Applicants are reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
